## Scripture Index

References to Old Testament passages vary in detail, but the number of pages devoted to a passage is a good indication of the depth of treatment. Where a reference contains an outline, that is indicated by (O). Where a reference contains Davis's own translation of a passage, that is indicated by (T). For convenience, where a Davis has preached on a passage, and an aud-wpc recording is available, the source of that recording is indicated after the page reference. Audio is available at <http://www.woodlandpca.com/html/sermons.html> (aud-wpc) and <http://secondpca.org/33.php> (aud-spc).
